### COLORADO

Colorado became the 38th state to join the Union in 1876. It is the eighth largest state covering an area of 104,100 square miles.

The Rocky Mountains form a major part of Colorado, with 54 mountain peaks reaching over 14,000ft.

The Great plains in the east are where most of the state's cities are situated.

Denver is both the Capital and the largest city in Colorado.
